**Caribbean Political Action Coalition (Cari-PAC) --**

I'm about to head to Grant Park to talk to everyone gathered there, but I wanted to write to you first. We just made history. And I don't want you to forget how we did it. You made history every single day during this campaign -- every day you knocked on doors, made a donation, or talked to your family, friends, and neighbors about why you believe it's time for change.

I want to thank all of you who gave your time, talent, and passion to this campaign. We have a lot of work to do to get our country back on track, and I'll be in touch soon about what comes next.

But I want to be very clear about one thing...

All of this happened because of you.

**Thank you,**

**Barack**
